MAT Olympics

What a wonderful day of friendship and sport we had yesterday! All five Trust Schools came together at Par running track for the very first St. Piran's Cross

MAT Olympics. The rain held off, and a good time was had by all!

This was a wonderful experience for the children and every child was given the opportunity to take part in at least one event. We were very proud of our children, not just for their sporting talents but also for behaving impeccably and showing great sportsman-

ship. Many were delighted to come back with a medal! We would like to celebrate our medal winners during Friday's awards afternoon so would be very grateful if children could bring back their medals for us to show.

Thank you for waiting patiently for KS1 to return and apologies for their lateness.

As if an Olympics wasn't enough, a group of key stage 2 children then transferred to the Roseland School Sports field to represent Ladock at the Roseland cluster sports day. Once again they were great ambassadors for our school and showed great sportsmanship and athletic skill. A huge thank you to all the parents who ferried children to and from the event and to Mr Jarvis for accompanying them.
