## Our School Values

**Truth, Trust, Compassion,  
Respect, Perseverance & Forgiveness**

### Students of the week

St Blaise

Jack Carter

St Keyne

Emma Forster-Searle

St Cuby

Kowenna Goldsworthy

### Behaviour before school

Please can we remind parents to help us make sure that children behave appropriately before school, as there are often toddlers in the playground and we don't want anyone getting injured. On entering the school premises, we expect our children to conduct themselves in a way which is in keeping with our Christian values which include compassion and respect.

### Payment for Year 3/4 Minack trip—9th June

Please can we remind parents to pay for the Minack trip as soon as possible. Although this is a voluntary donation, the trip will be unable to go ahead if we do not have sufficient funds. Thank you.

### Healthy

### lunch boxes

As a 'Healthy School', can we please remind parents that we do encourage their child's packed lunch to be as healthy as possible. They should include foods such as: sandwiches, pasta, savoury foods etc, vegetable sticks, crisps, fruit, fruit bars and yoghurts. Chocolate biscuits, eg small kit-kats & penguins are permitted. They should also include a drink—**fizzy drinks NOT permitted.**

**Please remember to put in a fork or spoon for yoghurts or pasta etc.**

**Foods not permitted: peanuts, chocolate bars, candy lollies and sweets.**

### Car Parking

The car park seems to be getting increasingly crowded, which is not surprising with our growing numbers.

Please could we encourage parents to park as close as is safe to do so, and to make sure that those of you who arrive early make sure that the front middle row is far enough forward to fit an additional middle row behind.

There are still parents choosing to park out on the road instead of in the car park, even when the car park has plenty of room. This can be very hazardous for those children and parents walking to school and other road users. I appreciate that the road sometimes has to be used as an overspill, but please make use of the car park wherever possible.

**Thank you for your help in  
keeping our children safe**

### HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless **EVERYONE** is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!

**TOMORROW (Friday 13th May)  
IS BUG BUSTING DAY!**

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, **although you do need to check your child's head more often than once a month.**

## Thursday 19th May—School Census Day Menu
