## A note from Mr Stoyles

This week has seen the start of our new after-school clubs for this half-term. Staff are offering an incredibly varied range of clubs and feedback from children who have attended so far has been greatly positive. Those children who didn't manage to get a place in their first-choice club this half term, will be given priority when these are reallocated next half term.

On Tuesday this week, the children were fortunate enough to experience a range of musical instruments performed by a touring musician who works for the Rocksteady group across the South West. The children thoroughly enjoyed this, and the educational experience was fun for both adults and children.

We have now purchased a range of alternate sports equipment called the 'Craze of the Week Package'. This will launch officially next week and give the children in each year group one allocated slot per week at lunchtimes to try their hand at a range of new sports activities. We feel this will continue to promote physical activity within the school day and give the children lots to do during their lunch break.

### Contact Information

Our school is in the process of updating contact information, and we would appreciate you letting us know if your address or telephone number has changed recently.

Hope you have a great week

***Mr C Stoyles***

## FRIDAY NOTICES

Jane will not be in the office this Friday 27th as she is attending a conference. Please speak to staff in the playground if you have any queries or post any paperwork in the drop off box outside the main entrance. Classroom staff will answer the phone.

Mr Jarvis's afterschool football club on Friday 27th has been cancelled as Mr Jarvis is attending a Rugby tournament.

# Cuby trip to Lappa Valley

Cuby class enjoyed a wonderful day out at Lappa Valley on Monday, to launch their new topic 'Transport and Travel'.

When they arrived they met Aaron the train driver who kindly showed them the different parts of the engine and explained how it all worked.

Then they took the train into the leisure park, where they spent the day riding on the smaller gauge trains, playing in the parks and soft play area before tucking into a picnic lunch and heading back to the platform for the return journey.

All the photos and videos from the trip are available to view on Tapestry for Cuby parents.

## Special assembly

On Tuesday afternoon, we were treated to a special assembly led by Tom from the 'Rock Steady' music school, who talked to us about the different instruments used in rock bands and how they make their unique sounds.

The children particularly enjoyed the familiar songs he performed that they could sing along to!

Ladock Parish Church  
invites you to a series of

## Visit from RNLI Beach Safety team

On Monday this week, we had a visit from the RNLI Beach safety team. They talked to the children about being safe at the beach and explained how to recognise the flags on the beach.

Children were reminded to 'slip, slap slop, wrap and glug' - slip on a t-shirt, slap on a hat, slop on suncream, wrap your eyes with sunglasses and glug lots of water.

# HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless **EVE-RYONE** is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

**In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!**

**TOMORROW (Friday 27th April)  
IS BUG BUSTING DAY!**

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, **although you do need to check your child's head more often than once a month.**

## Parking

For health and safety, please can we encourage parents to use the car park when dropping off and collecting their children. Some parents are parking outside on the road which can make it difficult and dangerous for those families that walk to school. If cars park close to each other and the first middle row pulls forward so we can fit a second middle row behind, there should be plenty of room. Many thanks for your help with this.
