# Roseland Sports Network Benchball Tournament 2022

Harry

Nine children were selected to participate in the Roseland Benchball Tournament on Thursday 17th February 2022 joined by Mr Le Page.

A fantastic afternoon was experienced by all attendees and many thanks must go to all the organisers and helpers of this extremely successful event.

Our Ladock children from Blaise class had an outstanding afternoon with everyone showing enthusiasm, athleticism, determination and grit. Our eager athletes were fast to adapt and develop fantastic teamwork and strategy. Even though we were up against larger schools, our pupils attacked each and every game with 100% effort, true sportsmanship and all present had a thoroughly enjoyable time.

Special mention should go to Eadie, who captained our team to 4 wins and 1 draw out of our 8 matches. Eadie shone and her netball prowess placed us in good stead. Harry 'the pouncing cat' intercepted more passes than any other player. An impressive display. Daisy made some outstanding plays and showed great shooting skills. It has to be said that all the team were special. Each person contributed to our wins and selfless teamwork, support and comradery was shown in abundance throughout. I cannot praise them enough and they made me very proud to be their Teaching Support. Thank you all for making my afternoon extremely enjoyable.

A special thanks must also go to Mr Le Page whom, without his help and enthusiasm we would not have been able to take part in this event. We look forward to being able to take part in many more throughout this year.

## Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- The PTFA will be contacted and a message will be placed on their Facebook page.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
