

We have received parent queries around ticketing and Covid-19 measures relating to our planned nativity performance and upcoming carol concert. Before moving forward with any plans, I still need to discuss these with

A Note from Mr Stoyles

our PTFA, teaching assistants and teachers on Monday. We aim to send these out to parents on Monday afternoon. We would be grateful if you could help by answering the following questions [here](#).

Many thanks, I hope you enjoy the weekend.

Year 5/6 Residential Trip—Deposits required by 30th November

After the disappointment of not being able to book an off-site residential last year, we are delighted to announce that we have secured a booking from PGL for a 3-day, 2-night residential trip to Barton Hall Multi Activity Centre, Torquay.

Further information, including a choice of activities for the children and payment information can be found in the letter [here](#). **Please complete the expression of interest form and pay deposits of £30 via Parent Pay by 30th November to secure your child's place, thank you.**

PTFA Christmas Raffle

We are pleased to announce that tickets for this year's Christmas Raffle will be available from the 1st December at £1 a ticket to be purchased through ParentPay.

The draw will take place at the Christmas Fair on Wednesday 15th December.

So far we have managed to secure the following prizes:

A Gin Tasting Board Experience at the Penventon Hotel, Redruth

£15 Da Bara Voucher

A homemade Christmas Cake

Does anyone work for a company who may be able to donate a prize? Would your local pub or takeaway be willing to donate a voucher? Maybe there is a service that you could donate or even a nice bottle of wine/fizz?

Any donations can be handed to your child's teacher between now and the end of November.

All funds raised will go towards to school cinema trip which costs approximately £600.

Thank you in advance.

Congratulations to Jude who took part in his first jujitsu grading assessment on Saturday.

He is now the proud owner of a yellow belt moving past the white belt to become an intermediate martial arts master.

Please feel free to send any out of school achievements to Jane to be included in our school newsletters.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.

School Photographs

As a reminder, Russel Wilcox, the school photographer, will be returning to school on Tuesday 30th November to take photographs of any children who did not have their photos taken on his last visit.

If you are paying for your photograph by cash, could all orders be received in the school office by

Monday 29th November. Thank you.

Why is Year 6 being weighed and measured?

The school nursing team is visiting Year 6!

We are going to measure the weight and height of Year 6 pupils as part of our work to help keep the nation healthy.

Did you know?

- Children are weighed and measured when they are babies, and again in Reception and Year 6.
- It helps the government see how healthy the nation is, and plan health and leisure services for children.
- It's a good chance to check how you're developing and think about ways you can become healthier.

What will happen?

- You will be measured one at a time in private.
- All you need to do is take your shoes off – it will be really quick!
- Only your parents or carers will see the results – not your teachers or friends.

Top tips for a healthier you

Everyone can find ways to be healthier – what can you do today?

1. 5 a day

Try to eat five portions and a variety of fruit and veg every day.

2. cut back fat

Try and keep foods like crisps, buns, cakes, pastries and biscuits as occasional treats only.

3. watch the salt

Check the label and choose foods lower in salt and try not to add salt, to your food.

4. sugar swaps

Swap sugary drinks for water, lower-fat milks, no-added-sugar or sugar-free drinks.

5. get going every day

Spend at least 60 minutes walking, playing sport, running around or being active every day.

6. me size meals

Children need smaller portions than grown ups. Start with a smaller amount of food on your plate, then ask for more if you are still hungry.
