Year 5 & 6 London Residential

The behaviour of the children in Blaise class who attended the London trip last week was fantastic. Aside from the many miles covered walking, the children thoroughly enjoyed all of the activities with the West End show Aladdin being one of the many highlights. A special thank you must go to Mrs Milling who helped in the organisation and running of the trip.

Ladock School Sports Day 2019 and the sun shone!!

We would like to personally thank all of those who contributed to the refreshments during sports day, it was fantastic to see such a great turn-out of parents supporting their children in each of the races.

HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless **EVERY-ONE** is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!

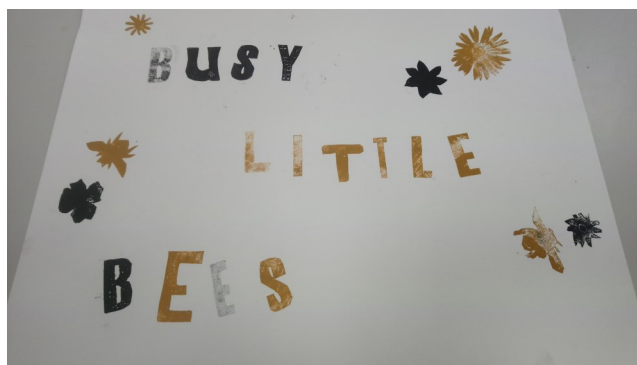

TOMORROW (Friday 21st June) IS BUG BUSTING DAY!

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, **although you do need to check your child's head more often than once a month.**

Year 6 Printmaking workshop

On Tuesday this week, 4 of our year 6 girls, Izzy, Kara, Freya and Amy went to the Roseland School with Mrs Michell to take part in an art printmaking workshop, the theme this year was 'Bees'.

A small working group of four children from partner primary schools of the Roseland were invited to take part in this collaborative art workshop where children learnt about printmaking. This was the lovely piece of work the girls produced. Thank you Mrs Michell, once again, for driving for us.

Tempest photographs

You should have received your child's class photographs and year 6 photographs today. Could you please return your order form with payment to school by next **Friday 28th June** to enable orders to be collected by Tempest and then returned to school before the end of the summer term.

The whole school photograph has not been returned to us yet, we will send this out to you as soon as it has been received.

Please ensure that you complete the order envelope with all of your details and enclose your payment. Thank you

Parent pay accounts

Could you please ensure that Parentpay accounts are paid as soon as possible following any club/lunch taken. **It is required that outstanding debts are paid before any further provisions are used.** We still have outstanding accounts following letters and text reminders, could these be paid asap. Thank you for your prompt payment.

Year 6 taster day at The Roseland School Tuesday 2 July 2019

“Buses will allow access to Year 6 students on Welcome Day Tuesday 2 July with the usual caveats. Cornwall Council advise that all parents accompany Year 6 students to the bus stop, as although they are allowed to travel, there is no guarantee that all of the new intake will be able to get on the bus. If the vehicle becomes overloaded, students will be refused access”
