Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- The PTFA will be contacted and a message will be placed on their Facebook page.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
