A note from Mr Stoyles

Another week has gone by and the children in school are now becoming much more familiar with the new school arrangements and different routines. It has been brilliant to welcome back Mr. Webb to the school team, who has recently recovered from a hip operation. Mr Webb will assist in the delivery of PE each Friday in school as well as run different sports interventions focussing on key skills such as coordination and balance. Sadly, we say goodbye to Mrs Hoskin as a member of staff who worked within our after-school club. We wish her every success moving forward and are happy knowing that she continues to be a member of the school community as a parent of a child in the school. We are pleased to inform you that Miss Burnett will now work alongside Miss Eldridge for our after-school wraparound sessions in addition to her current role.

As we move into the winter months and see this weekend storm Alex disrupting the south-west, we encourage all children to bring in waterproof coats. In order to not significantly disrupt our school operating hours, and ensure that children remain in their class bubbles, there will be occasions this term where children will be using the school field in wet weather. We recognise the well-being benefits of children playing outdoors and will always prioritise this.

Thank you for your efforts in adapting to our new homework strategies. We're noticing a great increase in children's spelling results across the school and are excited to see this continue.

September 2020

Dear Parent/Guardian

Your child's annual nasal flu vaccination is now due

As the autumn term begins it is highly likely that COVID-19 will be in circulation at the same time as flu therefore it is even more important than ever that we do all we can to protect against flu. We are delivering the flu immunisation programme in Cornwall's schools on behalf of NHS England. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2020/2021 all children in Primary Schools from Reception to year 6 (inclusive) will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter www.nhs.uk/child-flu or click on [link](#) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate.

We are due to visit your child's school on **Wednesday 4th November**. In order to access the online consent form, please enter or click on the following link
<https://www.kernowimmunisations.co.uk/Forms/Flu> **PLEASE ENSURE YOU QUOTE THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your school is: EE140468**

Please submit your consent form by **Monday 2nd November** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221105** and the team will be happy to help. Please note that as in previous years you **must opt in** to the programme. If a consent form is not submitted your child will not be vaccinated.

If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact Kernow Health on 01872 221105.

If you decide you do not want to vaccinate your child against flu, it would help us if you still complete and submit the consent form giving the reason. This will help us to plan and develop the service. Please tell us if you need this information in a different format.

Yours faithfully

Dr Jonathan Katz

Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit the website or contact us for more information.

If you need help with your application you can contact the Family Information Service on 0800 587 8191.
