Issue 6– 15th October 2021

A Note from Mr Stoyles

Another week has flown by with the classes taking part in lots of exciting activities linked to their topics. It was great to see the enthusiasm from Ladoca class on their recent visit to Kresen Kernow archive centre where the children enjoyed a guided tour followed by a workshop linked to their topic.

A reminder that Blaise class will be visiting Flambards next Wednesday. If you haven't already, please complete the attached consent form in the link [here](#). We are delighted to announce that we have raised close to £100.00 in our recent non-school uniform day. Funds raised will go towards a book swap box that will be placed on our school grounds. Our newly elected reading ambassadors will choose the winning design from the optional homework posted through ClassDojo last week. There is still time to complete the design this weekend—please find the link [here](#).

A Note from Mr Stoyles

Our site team will be busy during the upcoming half term, where new windows will be fitted in Keyne classroom. Soon after, we plan on carpeting Ladoca classroom and installing acoustic panels to help reduce echoed noise and limit reverberation levels.

A parent survey will be launched on Friday 22nd October that will be sent via ClassDojo, text and email. It will aim to give you the opportunity to express your opinion on parent and guardian engagement at Celtic Cross Education and your overall confidence in the school's strategy. Our goal is to open up a communication channel where your voice is heard and organised in such a way that we can create the best learning environment for your child. To help us with this, we're working together with the Edurio survey platform. Surveys are completely anonymous and confidential, though the responses will be aggregated for the purpose of analysis. The survey will be available until 12th of November. Your opinion and honesty are much appreciated.

I hope that you all have a great weekend.

School Message

My Coast

Hello! Sorry to ask, but if you have 5 minutes spare with a cup of tea would you please take my survey? I'm building a real-time beach safety app in collaboration with the RNLI, MET Office, University of Plymouth and Visit Cornwall, which will initially focus on Perranporth beach. We are aiming to trial the app next Summer '22, but right now I need to collect as much user feedback as possible to be able to develop the first prototype.

If you are even remotely interested, then please click [here](#) to find out more information about the project! Thanks so much in advance,

Jo Murray

PTFA Monthly Class Cake Sales are BACK!

A Massive thanks to all adults of Cuby Class who baked, donated, bought cakes, helped serve, and to those who even provided some new sand!

We raised a fantastic £101 – this will be put towards more sand & rechargeable torches.

Our next bake sale will be on **Wednesday 20th October** for **Keyne Class**, monies raised will go towards transport for the class trip.

We would kindly ask all adults of Keyne Class to show their support and get involved with some baking, we will also require at least 3 adult volunteers to help run the stall.

The sale usually lasts about 20mins, so help is required from approx. 2.45pm - 3.45pm

(Please let Mrs Vincent know if you can help serve, it would be really appreciated)

All cakes should be brought in with your child, on the morning of the sale, any tins or containers should be labelled up for easy return. All transactions will be in cash only.

For any children attending wrap-around club, please provide money in their school bag, or give to Tracy at Breakfast club etc. if required

Keyne Cake Sale – Wed 20th October 3pm – 3.30pm in the playground

Ladoca Cake Sale – 3rd November

Blaise Cake Sale – 10th November

*Extra measures will be put in place to keep covid safe.

Attendance

As you know Celtic Cross Education have developed a RAG (red/amber/green) rated system to alert parents to the fact that attendance is falling;

GREEN Band—93—96%

AMBER Band 90-93%

RED Band—Persistent Absentee) Below 90% (This is a Government definition).

An attendance trawl will take place at the end of the Autumn term and letters will be sent to parents whose children fall into the above categories. We understand that children may have to attend a medical/dental appointment in school time, however you should try to make routine appointments outside of school hours.

If children do not attend school regularly, they may not be able to keep up with school work. In a busy school day, it is difficult for teachers to find the extra time for a child to catch up.

Every lesson really does matter, also missing out on the social side of school life—especially at primary school—can affect a child's ability to make and keep friendships, a vital part of growing up. Children can become unnecessarily worried about the return to school, causing a barrier to returning.

Many thanks for your support in this important matter.

Weekly Attendance for week ending 8th Oct Sept 2021 - 91.11%

St Cuby—85.28%

St Keyne - 91.96%

St Ladoca - 93.25%

St Blaise—93.96%

The Government advises that attendance should not fall below **96%**
