Issue 7 – 23rd October 2020

A Note from Mr Stoyles

The half term break is now here and we wish to thank all the children in our care for their unrelenting efforts in school during this time.

As an alternate celebration for Halloween, the children today took part in a light party, where they 'lived out' the fundamental Christian message that there is always light to be found in darkness. Alongside a collective worship based around the theme of Jesus being the light of the world, the children each created their own lantern. We wish to pass on our sincere thanks to Rev'd Joachim and Roxana for providing the school with the idea, resources and an instructional video to help create the lanterns.

The children in school who have been taking part in rugby sessions this half term were joined by a very special visitor on Thursday when Cornish Pirates prop Jack Andrew made a visit to the school. He joined us in the afternoon and also stayed for a question and answer session. The children had some very interesting questions around his diet, and some even asked how much he got paid!

We now have one vacancy within our school monitoring council. Members of this school governors group support Ladock and Vervan school in promoting effective teaching and learning, with the responsibility of overseeing school strategy and policy. Please see the link below to nominate or declare an interest in this position.

The next parent, teachers and friends association (PTFA) meeting will take place via Zoom video call shortly after the half term break. It would be great to see as many parents as possible involved to discuss how the group can help further enhance the children's schooling alongside other fun opportunities. Further information about how to join this meeting will be communicated by the school and PTFA chair Jenny.

After the half term, the school is pleased to announce that it will be making arrangements for children to have hot meals cooked onsite within their class bubbles.

Please continue to make bookings, at the latest the night before, through ParentPay. There will be three main options (including the choice of a jacket potato with cheese and beans) each day along with two options for dessert. Please click the link below to see the autumn menu.

Although we see our school pick up arrangements as successful, we will be making a minor change to further enhance the safety of the school community. Children in Ladoca class (Y3/4) who have a sibling in Cuby class, will now wait with a member of staff to be collected by parents alongside their classroom. Children in Ladoca should be picked up by parents after their child in Cuby has been collected. We feel this is a positive step in preventing children from having to walk along the small stretch of road towards the gate. Also, this will prevent parents having to huddle together waiting for their child outside Cuby classroom should children be let out slightly early/late. Please see the picture on the following page.

Children in Ladoca with a sibling in Cuby will wait here to be collected after the sibling in Cuby has been collected.

We hope that you all have an enjoyable half term and we look forward to seeing you on Tuesday 3rd November.

Weekly Attendance for week ending 23rd October 2020 - 98.96%

St Cuby 100% St Keyne 100%

St Ladoca 98.03% St Blaise 97.81%

The Government advises that attendance should not fall below 96%

What to do if you, your child, or someone in your household has symptoms of Coronavirus during half term....

If anyone in your bubble has any of the main symptoms of coronavirus, you should:

- ⇒ Get a test to check if they have coronavirus as soon as possible.
- ⇒ Stay at home and do not have visitors until you get the test result; only leave your home to have a test.
- ⇒ Anyone you live with, and anyone in your support bubble, must also stay at home until you receive the result.

There is no need to make contact with the school unless:

- ⇒ The test comes back positive.
- ⇒ You are self-isolating because you have not yet received the result of the test and your child/ren will not be returning to school for this reason.
- ⇒ If you have a holiday booked, and you are required to quarantine on your return, you will also need to inform us. For Coronavirus travel guidance, visit the 'travel corridors' section of the gov.uk website.

If either of these three scenarios apply to your family, please email: enquiries@celticcross.education to inform us, stating your name, the name of your child/ren and their classes. Details will be passed to the school, to inform them of your circumstance.

Pupil Safety and Dark Nights

Next Saturday night, the clocks will be set back an hour and summer time ends. Road traffic collisions increase by 20% in the fortnight after the time change. Sadly, some of those collisions will involve child pedestrians and cyclists. Children under-16 are one of the most vulnerable groups of road users.

The latest available government statistics (2015)* show that 58% of children who are involved in fatal accidents, or are seriously injured in a road collision, are involved in incidents between 3 and 7pm. From Sunday, much of those will happen in darkness. Whilst younger children are at risk, the data shows that 11 - 15 year olds are actually at more at risk. Please stay alert and help your child/ren to.

The resources below may help to remind you and your children about road safety:

Royal British Legion Poppy merchandise

This year we are adapting the process for purchasing remembrance merchandise. We have received a sealed box from the Royal British Legion with the items listed below.

Payment for the items will need to be ordered and paid for via your Parent Pay account—choose 'pay for other items' on the yellow bar and scroll down to find the items.

Cash cannot be accepted at school

If you have not activated your account yet, please ask Jane who can supply you with log in details. There are 3 separate payment items on Parent pay to choose from, for the 50p items you will need to specify which one you want.

Once your child has purchased their item, they will be handed to them by their class Teaching Assistant for them to be placed directly into their bag to bring home. Each class will have a selection of colours for children to choose from.

Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places.

If you need help with your application you can contact the Family Information Service on 0800 587 8191.
