Ladoca 'High Tea'

What a fantastic day Ladoca Class had on
Tuesday 2nd April 2019.

Following a very exciting term of baking, Ladoca Class have now completed their end of term outcome. Something real world, with a real audience.

During the day, Mrs Milling took groups down to the Falmouth Arms, our local pub and restaurant. Children cooked, baked and decorated the most delightful cakes and treats for an amazing high tea! Following each session, children came back to school buzzing from their exciting and inspirational time with Mr Kevin Viner, our local celebrity chef. The children baked choux pastry for beautiful cream swans and the most delicate little treats for parents and carers to enjoy. Everyone who attended was amazed at the baking skills shown. As well as baking, there was also napkin folding and table setting to learn. It was an exhausting day for Mrs Milling!

Mr Viner, who runs the Falmouth Arms, had kindly donated his time and money to make our class event exceptionally special.

We'd like to say a massive thank you to all the team at The Falmouth Arms who made the whole day very special for everyone involved. We hope many parents and carers will have enjoyed their time in the restaurant. Who knows, maybe some will return for Sunday lunch!

Well done Ladoca Class for all your hard work and effort, after costs were taken out £100 has been donated to Cornwall Hospice Southwest!

I hope that you all have a lovely, restful Easter break and enjoy the opportunity to spend time with family and friends.

Students of the week

St Cuby **Megan**

St Keyne **Guy**

St Ladoca **Elsie**

St Blaise **Harley**

Special Achievements

Wear Pink for Breast Cancer Awareness

Friday 5th April—last day of the spring term

Wear something pink for the day
(non school uniform)

£1 donation for breast cancer awareness

Attendance

As you know Celtic Cross Education have developed a RAG (red/amber/green) rated system to alert parents to the fact that attendance is falling;

GREEN Band—93—96%

AMBER Band 90-93%

RED Band—Persistent Absentee) Below 90% (This is a Government definition).

An attendance trawl will take place at the end of the Spring term and letters will be sent to parents whose children fall into the above categories. We understand that children may have to attend a medical/dental appointment in school time, however you should try to make routine appointments outside of school hours.

If children do not attend school regularly, they may not be able to keep up with school work. In a busy school day, it is difficult for teachers to find the extra time for a child to catch up.

Every lesson really does matter, also missing out on the social side of school life—especially at primary school—can affect a child's ability to make and keep friendships, a vital part of growing up. Children can become unnecessarily worried about the return to school, causing a barrier to returning.

Many thanks for your support in this important matter.

Weekly Attendance for week ending 22nd March 2019 - 88.76%

St Cuby 92.81% St Keyne 83.21%

St Ladoca 91% St Blaise 88%

The Government advises that attendance should not fall below 96%

Upcoming events

*1st May—Non-elite Year 4, 5 & 6 Ultimate Dodgeball Festival
at the Roseland Academy 1-3pm*

*12th June—Year 3, 4, 5 & 6 Cross country at Vervan sports &
Social Club 12.30-3pm*

Parent Pay outstanding debts

Could you please ensure that any outstanding debts on your Parentpay account are cleared before the end of the Spring term, you will have received a text message with details. If debts are not cleared before the summer term begins, provision cannot be taken for lunches or wraparound care.

Thank you for your help with this.

RECYCLING OF INK CARTRIDGES

Start earning cash for our school today simply by recycling your old and unwanted inkjet cartridges, to spend on new equipment, classroom supplies or even new projects, all whilst helping the environment.

A box will be placed outside of the office for you to place your cartridges in, these will then be sent to The Recycling Factory.

Did you know that if a cartridge isn't recycled and sent to landfill, the plastic that is contained within the casing can take up to 1,000 years to decompose!
