

# BIG QUESTION: Can Humanity Bake its way Out of Poverty?

Information	Project Launch:  Children will take part in a baking experience to fundraise monies for the project. This will take place in the term before the project begins.		Real World Links:  Link to shelter box. Visit shelter box in Truro and make links with one of their projects around the world.  Make a link with a local school and write to the local school. Have a skype session with the school.		Real World Outcome:  Children will bake a local, sustainable, three-course meal for their parents in Ladoca class. This will happen in the second to last week of the project at 2:00pm.		Authentic Audience:  Parents and extended family.		Public Exhibition:  Children will share their work with parents during the real world outcome.		Immersive Classroom:  Images of cookery.
