School Inset Day - **Friday 27th November 2020** ***[Click Here](#)***

A Note from Mr Stoyles

Another school week has flown by with lots of exciting activities happening in classrooms. We remain committed to continuing with our school curriculum and looking at further ways to provide exciting learning experiences for our children throughout the year. Thank you for your help in adapting to our new homework strategy, we continue to be very impressed with our spelling scores each week and the brilliant picture submissions of homework posted through Class Dojo as well as My Maths. You may be aware that the Roseland school is closed for deep cleaning for two days and Year 7 & 8 have been asked to self isolate. Siblings that attend Ladock should come to school as normal unless their own situation changes - if they are symptomatic, someone in their close family has symptoms and/or a positive test. Please contact the school if you have any questions.

I hope that you all enjoy this weekend and look forward to seeing you on Monday.

NOTICE—ROADWORKS

For your information the B3275 road through Ladock will be closed to through-traffic next week (week commencing 23rd November) for re-surfacing. Access will not be denied for people who live along the road and for people dropping and picking children up from school.

Virtual After School Club

The Youth Sport Trust have taken the step to deliver a free virtual after school club as part of a national response to the second lockdown. The 30-minute club will take place at 5pm each weekday and be led by a different member of the YST's athlete mentor network, starting on Thursday 12 November with world no.1 female inline skater and 10-time British Champion Jenna Downing. The After School Sport Club will then run for five weeks until December 18 and children and young people can take part live by visiting our YouTube channel - <http://www.youtube.com/user/YouthSportTrust>

Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday. The YST hope that this will provide support, capacity and inspiration to sit alongside the other great work and offers that are available for schools and children and young people to engage in.
