Issue 8– 5th November October 2021

A Note from Mr Stoyles

A warm welcome back to school after the recent half term break. I hope that you had a good chance to relax and unwind as we now approach the countdown to Christmas...or maybe it's too early to be thinking about that! We have been working at lightning pace this week to plan, prepare and ensure that we continue to maximise learning experiences both in school and outside of school. I hope this newsletter helps provide a clear summary of everything planned for the coming weeks.

We'll start with PE:

- Mr Webb will continue this half term to be with us at school on both Mondays and Fridays.
- Children in EYFS and KS1 will take part in didi rugby sessions on Tuesdays— [click here](#) to see an example video of the sessions.
- Children in KS2 will take part in dance sessions provided by Bell Dance Academy on Thursdays.
- EYFS, KS1 and KS2 will all have an additional PE session on Fridays.

Children should continue to come into school in their PE kit for these sessions as well any after school enrichment clubs.

Enrichment clubs begin next week with the last club prior to the Christmas holidays running on Friday 10th December. Although we're eager to have as many children attend as possible, this half term we have had to limit spaces based on staffing ratio's. It took only 27 minutes for all our clubs to become fully booked. We've debriefed on this and for Spring 1 clubs plan to run a process with an end submission time to ensure parents with work commitments and children who missed out during Autumn 2 are not penalised. Any feedback, as always, is greatly appreciated.

Year 5/6 Residential Trip

After the disappointment of not being able to book an off-site residential last year, we are delighted to announce that we have secured a booking from PGL for a 3-day, 2-night residential trip to Barton Hall Multi Activity Centre, Torquay. Further information, including a choice of activities for the children and payment information can be found in the letter [here](#). We are at the discussion phase of planning summer residential trips for the remainder of the classes.

Parent Consultation Evenings

Based on early feedback from our parent survey ([click here](#), so far 40 responses), our parents evenings this half term will focus on how children are doing socially at school. To accommodate all needs, we are offering the choice of meeting in person or scheduling a meeting online via video link. Please see booking information on page 5 of this newsletter.

School Individual/Sibling Photographs

On Tuesday 9th November, we will be joined by Russell Wilcox ([website](#)) for individual/siblings photographs. If your child has a younger than school age sibling that you would like included in the photographs, please complete the form [here](#). Photographs will be in the afternoon and processed + delivered in time for Christmas.

A Note from Mr Stoyles

This fantastic picture taken on Tuesday morning acted as a visual reminder of our school vision of 'loving, learning and achieving together' and our strong emphasis on the promise we all have to care for others both near and far, being responsible custodians of our planet. This rainbow overlooking the school acted as a visual reminder of this promise.

Ladoca Class Investigates

Sightings of a mechanical arm over half term required the detective work of Ladoca class on Tuesday

Keyne Class at the Maritime Museum

Keyne class today enjoyed a trip to the Maritime Museum taking part in workshops and activities. We were really proud to hear such wonderful comments from museum staff about the children's listening, behaviour and engagement.
