Issue 10 – 15th July 2022

A Note from Mr Stoyles

As weeks go, we definitely count this one as one of the more busy. But, sitting here and summarising the week in knowing that the children have had so many memorable experiences makes it all so worthwhile.

Alice The Musical

On Thursday evening, the children of Blaise class showcased their acting and singing talents on stage to a crowd of just under 100 parents in their production of Alice The Musical. This performance was by far the most technical with many solo singing acts and contrasting scenes. For our youngest children in Cuby to be able to sit so well for over an hour during the dress rehearsal just shows its entertainment value. Although this years performance was not recorded, we are so lucky to have Zoe Green as our photographer for the event. Her images have been put into a film that you can see [here](#). A special thank you to Miss Green, Mrs Milling, Simon, The School PTFA and Mrs Rimmer for making the performance a success.

A Note from Mr Stoyles

A Day at the Beach for Cuby

Cuby class went on an adventure to Carne beach on Thursday this week to learn about the wonders of the beach and sea. Throughout the day, they examined different rock pools, searching for crabs and various other sea life. Also, the children roasted marshmallows and enjoyed paddling in the sea. Their behaviour throughout was impeccable. So much so, that members of the general public felt it necessary to praise them. A special thank you to Miss Norgard, Mrs Denning, Miss Sherrocks, Mrs Butler, Mrs Rimmer and Mrs Sluggett for working with the children on the trip.

Ladoca Camping Trip

Yesterday evening the children in Ladoca class had their annual residential, camping in tents overnight followed in the morning by a visit to the National Marine Aquarium in Plymouth. The evening started with a meal from McDonalds and moved swiftly on to preparing tents for their evening 'sleep.'

A Note from Mr Stoyles

Next, was the slip and slide which is slowly becoming a Ladock tradition.

The children got their revenge on Mrs Tringham for spraying them all with a hose pipe with a simultaneous water bomb attack.

[See the Video Here](#)

A camp meeting was next, followed by a tent inspection. We were looking for cleanliness, placement of teddies and unique tent features. One group fitted a torch on the ceiling of their tent, another had a reading corner and one even had a bauble design –very fancy!

A Note from Mr Stoyles

As the night drew to a close, the children took part in a Ladock's Got Talent competition and enjoyed a roasting marshmallows. At midnight, we staggered the supervision of the tents with Mrs Denning on watch from 12am—2am, Mrs Whitelegg 2am—4am and Mr Stoyles from 4am—6am. After an early breakfast the next day, the children boarded the coach bound for the National Marine Aquarium in Plymouth. We took part in a workshop exploring the sea with VR headsets, The children then inspected the contents of toy whales with the stomachs open. With gloves on, the children handled squid and other small crustaceans—the smell was horrific! Finally, the children were given a tour of the aquarium.

The children had a jam packed two days and I have no doubt that at the time of writing this that the majority of them are now asleep.

A special thank you to Mrs Tringham, Mrs Whitelegg, Mrs Minter, Mrs Denning and Mrs Rimmer for making the residential a success.

Staff Departures

It is with great sadness that we announce that Mrs Butler and Simon will be leaving the school at the end of this academic year. Mrs Butler has accepted an offer of a post at a specialist provision school in mid Cornwall and Simon will be working at an alternate provision academy from September. Their hard work, dedication and passion for Ladock School was clear to see and we wish them every success in their next ventures.

The Summer Reading Challenge run by The Reading Agency will start from Saturday July 9th so please do come down to Truro Community Library to register. We love to see as many young people in here as possible and it is a fantastic way to keep reading over the summer holidays.

The format is the same as previous years – the challenge is to read six books from the Library over the summer holidays. Any books can be read – fiction, non-fiction, graphic novels, comic books, audio books – whatever takes your fancy!

The theme this year is The Gadgeteers with a fold-out, fill-in, colourful sticker folder designed by author and illustrator Julian Beresford. There are stickers and stuff to collect along the way at each stage of the Challenge as in the previous years.

This year's Summer Reading Challenge theme is Gadgeteers, created in partnership with Science Museum so at the end of the Challenge we are excited to be partnering with The Royal Cornwall Museum in Truro. Anyone finishing the Challenge and reading six books will be entered into a prize draw to win two annual passes to the Museum – children go free anyway but this means that two adults can go free with them for the whole year.

The Museum was founded by The Royal Institution of Cornwall in 1818 to promote excellence in science and art and to forward the world-leading industries that Cornwall was known for and it continues to be a hub of discovery.

The theme of Gadgeteers was chosen to spark children's curiosity about the world around them and to inspire them to see the science and innovation behind everyday objects such as fashion and technology, cooking and music. The fold out sticker folder has a fun narrative and six characters to follow.

There is also a great website at www.summerreadingchallenge.org.uk with illustrations by Julian Beresford. There are competitions, mini challenges, a book sorter and all sorts of fun things to do to get ready for the Challenge.

But of course, we like to see everyone in the library and reading books, so come and sign up anytime from Saturday 9th July!

We would love to see every child in and around Truro joining up and using the Library and to feel ownership of our lovely building as part of their city.

A colorful illustration of a jungle scene. At the top, a green lizard is perched on a branch, holding a red worm. To its left, a dragonfly is flying. On the left side, a red flower with green leaves is visible. In the center, a brown monkey is crawling on the ground, looking towards the right. To the right of the monkey, a toucan with a large yellow and orange beak is standing. In the bottom right corner, a blue spider is on a green leaf. In the bottom left corner, a ladybug is visible. The background is filled with green foliage and a brown tree trunk.

We're going on a Jungle Jamboree!
