Friday 14th—Wear something RED for Cornwall Air Ambulance

A note from Mr Stoyles

We have made it to the end of an incredibly busy half term! I would first like to start by saying a huge thank you to all the children, staff and volunteers for their hard work and commitment to Ladock School. It is a real privilege to be Head of School here at Ladock, this has become so much more noticeable whilst visiting different schools over the past two years.

Our school vision day on Monday was a great success with our school council opting to help fundraise for the hardship many have been experiencing in Australia. This was based around our school mission statement of 'Loving, Learning, Achieving Together' as well as our school value of compassion, linking to the school family and their willingness to help others in need.

We managed to raise a whopping **£220.00** which will be donated entirely to help the families of

Mogo Public School on the south coast of New South Wales. Although the school has not been affected directly, the local community have experienced a significant amount of devastation. We hope that our school donation can play a part in rebuilding the community.

Mogo Public School is a small school that caters for all students through its many innovative educational programs and initiatives.

Statement from the Diocese of Truro

The directors of Celtic Cross Education have for several years been considering how to replace the temporary buildings at Ladock C of E Primary School and develop the site in the best interests of the pupils.

Exploratory conversations between the Education Department and Glebe Management Committee of the Diocese of Truro, and Celtic Cross Education are ongoing as they work together to see what might be possible and affordable.

If School House is to be included in any plan, alternative housing would be provided for the current tenant.

Once a feasible project is conceived, the plan would be for a public consultation to ensure all interested parties have the opportunity to express a view. This would be before any planning application is made.

Should you have any further enquires, please do not hesitate to contact Jason Gordon, Estates Manager at jason.gordon@celticcross.education

Saturday morning football club

Mr Webb is hoping to set up a Football Club for children aged 3, 4 & 5 during April/May. This will hopefully run on a Saturday morning from 9 am to 10.30 am at Gram-pound with Creed Village Hall. The cost would be £25 for 6 sessions and he would like to get an idea of anyone that is interested in their child booking a place.

If you can let Jane know either by email or dropping into the office we can then pass the information on to Mr Webb and he can contact you when he has got an idea of the interest numbers and confirm dates etc. If you can let us know if you are interested by Monday 24th February that would be great. Places are limited as this will be offered to other schools in the Celtic Cross Trust later in the week.

CLOTHES, CLOTHES AND MORE CLOTHES!

We have lots of children's clothes left over from the sale on Monday. We realized as soon as the sale started that it was really difficult to see what was available in all the different sizes so we have now sorted the items into ages. There are some really super virtually new dresses, tops, trousers, pyjamas, slippers and shoes. Please do come and have a look on FRIDAY afterschool in the foyer and take what would be useful for you. We would ask that you just leave a small donation for the air ambulance.

Please do come an have a rummage!

Recycling!

The war on plastics is heightening all around us. In December last year Walkers joined with a company called Terracycle and launched a scheme to recycle crisp packets. Since then over 11 million packets have been recycled and more and more companies are signing up to these recycling schemes, reducing the amount of waste ending up in landfill and our beautiful seas. At school we are joining the #waronplastic working with Terracycle to recycle all brands of crisp packets, biscuit & cake wrappers and chocolate & sweet wrappers! This is a great way to teach children there are many ways to recycle items that are not within our standard household recycling. If you would like to get recycling at home please do! You can bring your items into school and we will add them to our collection. **Please just make sure all packets are empty and flat.**

We also have a separate box for you to recycle empty toothpaste tubes, cartons, tops, toothbrushes or toothbrush packaging.

The recycling boxes will be in the reception area.
