After arriving, the children will take part in a 60 minute session before travelling back to school in time for their lunch.

Please see the 'Better School Swimming – Covid Secure Delivery' document in the link for further information about the structure of the sessions as well as the Covid-Safe protocols in place. [Click Here](#)

Although the school will fund the cost of the swimming sessions, we are asking for a voluntary donation of £20.00 to cover the cost of the coach travel for the week. The payment for the KS1 sessions is due on 7th January 2022 and Blaise class on 13th May 2022, all payable through ParentPay. If the trip is underfunded, it will not be financially viable for the sessions to take place. If you are experiencing financial difficulties and feel unable to pay the full amount, please contact the school.

If you have any questions regarding this matter then please do not hesitate to contact us at school.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
