Issue 13 – 10th December 2021

A Note from Mr Stoyles

What a fantastic KS1 nativity performance this week. All the children involved were a credit to the school and made us all very proud. A special thank you to all our staff who worked incredibly hard to make this a successful and enjoyable occasion.

Alongside working on Christmas performances, the children in KS1 + KS2 have been taking part in our end of term assessments in reading and maths over the past two weeks. This has helped confirm our own teacher assessments as we prepare for the new term.

Next Friday will be Mr Webb's last official PE session at Ladock. We would like to congratulate him on his new venture with Didi Sports and thank him for being such a fantastic member of the team. We are in conversations and eager for Mr Webb to continue to offer sports provision at Ladock through his company, 'One & All Sports' in the new term.

Next week is one of the busiest periods in our school calendar. I hope the following information below will act as an easy to read guide.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
