A note from Mr Stoyles

Good afternoon everyone, I hope you're all surviving the January Blues! Again, time is passing incredibly quickly, and we are almost halfway through the month, with two weeks into the new term. This week has seen the start of our new afterschool clubs with a great variety on offer, everything from choir club with Miss Harris on a Monday to yoga on a Friday with Mr Height and Mr Allen. Speaking to the children throughout the week, it's clear the children are thoroughly enjoying everything on offer.

As we draw closer to the schools Ofsted Inspection, it would be greatly appreciated if you could submit your thoughts and opinions on the school to Parent View by following this link - <https://parentview.ofsted.gov.uk/> This online questionnaire helps inspectors, near a time of inspection, gain the opinions and thoughts of parents.
I wish you a great end to the week.

LADOCK PLAYING FIELD SOS

The good news is that we have most of the playing field renovated and have made good headway into two new fundraising opportunities so that we can refurbish and add even more structures to the park.

The bad news is that there are now only two active people on the committee:
Jon Stringer - Treasurer and Liz Barker - Vice Chair

Most people are probably unaware that the village playing field is not run by the Parish Council and relies on funding by local people and businesses in order to pay for insurance, refurbishment and maintenance - organised by the Ladock Playing Field Committee.

Currently I am the only parent involved in the playing field and we desperately need more people to join in, ideally by coming to the next meeting on Wednesday 23rd January 7.30pm at the Falmouth Arms.

Feel free to call me if you wish, about getting involved, or just turn up to our next meeting

Thanks - Jon Stringer, Ladock Playing Fields Treasurer - 01726 883636

HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. Please look at the following website to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless EVERYONE is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!

**TOMORROW (Friday 18th January)
IS BUG BUSTING DAY!**

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, although you do need to check your child's head more often than once a month.

Thank you for your cooperation over this matter.
