The following web-site is very helpful, you can put in your details and it tells you about any advice/support services in your area based on your circumstances.

Supporting young people, and their families, with positive mental health.

We recognise that this time of national lockdown may be difficult for children and young people. How a child or young person reacts to being away from school, and their normal routine, may vary according to their age, understanding, their previous experience of lockdown and how they typically cope with stress. Addressing the mental health of your child, and those in your family, can be supported with some of the following resources:

- ♦ Public Health England have produced the following set of guidance for parents and carers:
<https://www.gov.uk/government/publications/covid-19-guidance-on-supporting-children-and-young-peoples-mental-health-and-wellbeing>
- ♦ Every Mind Matters: A website that explores expert advice and practical tips to help you look after your mental health and wellbeing:
<https://www.nhs.uk/oneyou/every-mind-matters/>

May we remind you that, if you have concerns about your child's wellbeing, or the wellbeing or safeguarding of another pupil, please contact the school immediately on 01726 882622 to speak to our Designated Safeguarding Leads – Mr Stoyles, Mrs Tringham or Mrs Milling.
