## Blaise class trip to Truro Cathedral and Trelissick Gardens

Blaise Class enjoyed a fun and fact-filled morning in the Cathedral last week.

As part of our RE curriculum, we were exploring the formation of the Diocese of Truro and the reasons for the construction of the Cathedral. This involved lots of dressing up, using a range of primary sources and even a procession around the Cathedral which ended in singing a hymn in the choir stalls.

In the afternoon we had a fabulous time at Trelissick Gardens finding out about what makes a great garden so that we can transform the Memorial Garden in school into something special for the whole school community.

Huge thanks to Mr Smith, Mrs Michell, Mr Nicolson and Ms Jane for giving up their time to help us!

## Collecting children at the end of the day

Please can we remind parents that it is essential that children are collected promptly at the end of the day. In order to ensure their safety, children not collected by 3.25pm (unless parents have been in touch with the school) will be taken to After School club and will need to be collected from there. Parents will be charged the normal after school club rate of £3.00 for the first hour, and £5.00 until 5pm.

## Packed lunches

Please could you ensure that you provide your child/ren with a drink to accompany their food if they are having a packed lunch.

Some of the children have been bringing in delicious looking pasta, rice and salads but have had no cutlery to eat them with. Packed lunch children eat their lunch in St Keyne classroom separately from children taking a school dinner, so it can then prove difficult to source cutlery as this is down in the Victorian building. Along with providing suitable cutlery, could you please make sure you include a spoon for yoghurts if needed. Thank you for your help with this.

## Parent pay accounts

Could you please ensure that Parentpay accounts are paid as soon as possible following any club/lunch taken. Anybody with an outstanding debt will have received an invoice this week. Thank you for a prompt payment.

## RECYCLING OF INK CARTRIDGES

Start earning cash for our school today simply by recycling your old and unwanted inkjet cartridges, to spend on new equipment, classroom supplies or even new projects, all whilst helping the environment.

A box is outside of the office for you to place your cartridges in, these will then be sent to The Recycling Factory.

*Did you know that if a cartridge isn't recycled and sent to landfill, the plastic that is contained within the casing can take up to 1,000 years to decompose!*
