World Book Day Announcement-Thursday 3rd March

We are incredibly excited to announce that the author of the Tigerpolis series, Richard Dijkstra, will be opening World Book Day and a day of activities will be delivered to reflect the important message behind Dijkstra's writing: animal conservation.

The Tigerpolis series is about a family of vegetarian tigers battling to save the world, and is based on Dijkstra's own experiences of tiger conservation in India.

We will be reading excerpts from his books in the week leading up to World Book Day, and also listening to the podcasts, which include extracts and fun and informative discussions about animal conservation, on FunKids digital radio.

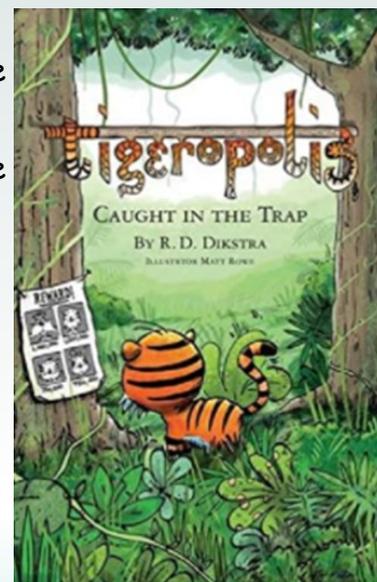

If you would like to learn more, [click here](#) to listen to the podcasts:

You can also listen in to Ladock School's involvement with the Dijkstra and the local Beaver Project on the Podcast.

We are also thrilled to be able to offer you the opportunity to order a signed copy/copies of a book or books from the Tigerpolis series. We are confident that the children's imagination and desire to learn more about Tigerpolis and the important message will be ignited after World Book Day.

Please [click here](#) to access the order form to order a signed copy.

You are under no obligation to purchase the book, but if you do, please complete the form and make your payment via your parent pay account by **Friday 18th February 2022 at 9am** so that the order is ready by World Book Day.

Book Swap Box Competition

Miss Green and our PTFA chair, Jenny, have been hard at work processing an application for funding to create our book swap box. We look forward to announcing the winners of the competition and creating the box in the not to distant future.

Ladock School **Vision** & Values

Loving, learning, achieving together

Forgiveness, Trust, Compassion, Perseverance, Respect & Truth.

A Note from Mr Stoyles

For World Book Day, children should come to school dressed for the outdoors with the option of linking their outfit to their favourite book character.

Molly The Therapy Dog

'Numerous studies show that contact with pets on a regular basis has shown to improve cognitive functioning, balance emotional concerns and increase feelings of enthusiasm and interest.'

We are delighted to inform you that we have registered for the Pets As Therapy Read2Dogs Scheme, which is designed to give pupils opportunities to increase their confidence and enjoyment in reading. Molly, the Labrador, will be in school every Thursday morning from next week to listen to children read. She will be based in the Head of School office where individual children will be chosen to join her and share their books. Molly is an incredibly calm dog, not phased by noise or distractions and has been working as a therapy dog for a number of years. In the past, Molly has spent a lot of time working in hospitals, this will be the first school she has visited.

Read2Dogs gives children a private opportunity to practise and enjoy reading, away from their peers, to an audience that will enjoy the experience as much as your child does. This will be a special time

as they read their chosen book to the PAT Dog, as well as having a chance to get to know the dog as the weeks progress. Please see below our therapy animal school and trust policy and an opt out link if you wish for your child/children to not take part in this activity.

Website Redesign

You may have noticed from previous newsletters that our improvement target from our most recent school visit was based around updating and improving our website so that it meets statutory requirements. Our target is by half term for this to be completed but please visit the page to check our progress.

Below the video is a navigation menu with icons for 'TERM DATES', 'LUNCHTIME MENU', 'NEWSLETTERS', and 'CELTIC CROSS EDUCATION'. At the bottom, there is a 'READING' section with an icon of books and a city skyline. The main content area contains a welcome message from Mr C Stoyles, Head of School, and a paragraph about the school's reputation and activities.

Y6 SATS

With the upcoming registration period for Y6 SATS assessments coming up, it can now be assumed that these will take place this year. Alongside revision sessions during class time, we are eager for all our year six children to attend our afterschool 'booster sessions' that will be taking place every Monday and Tuesday from 3:10pm - 4:00pm from the week beginning 28th February until SATS week (Monday 9th May - Thursday 12th May). Also, Wednesday morning intervention sessions for all Y6 children will take place at 8:40am - please ensure children arrive promptly in the mornings for these. Sessions will be based around looking at past paper questions with plenty of squash and biscuits to enjoy! Please register your child's attendance by completing the form below and make the school aware if any special arrangements are required to secure their attendance.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- The PTFA will be contacted and a message will be placed on their Facebook page.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
