Australia Day – Monday 10th February

Loving, learning, achieving together – that's the vision for Ladock school. Our School Councillors feel passionately that as global citizens we need to put our vision into action not just in school but wherever we can implement it to make a difference. Following the horrendous bush fires that have swept through areas of Australia, our children feel we need to reach out and do what we can to help, so we are planning an Australia Day. This will involve lots of learning together in mixed age groups and producing things to sell, letters and prayers to send and displays to remind us of our learning.

PLEASE CAN YOU HELP by sending in things for us to sell and then coming along at 3pm to buy them and find out about what we have learnt. We will need:

- ◊ Good quality, clean, second-hand children's clothes and school uniform for our 'new-to-you' stall
- ◊ Children's games and puzzles – please make sure all the pieces are there!
- ◊ Cuddly toys
- ◊ Cakes and biscuits for a cake stall

Cakes will need to be brought in on Monday 10th February; other items can be brought in from Monday 3rd February to the school office please.

If anybody can donate a small soft cuddly toy for our animal hospital that would be fantastic, please drop off in the office, thankyou.

Please support our children and help us raise money to help our 'neighbours' on the other side of the world.

Year 5/6 Benchball Competition What a Result!...

On the 22nd January a squad of year 6 children set off to take part in a Bench Ball Tournament held at The Roseland Academy.

I am very proud to say that Ladock School managed to win 5 matches out of 6 which is amazing and meant that overall we came 1st place! Well Done

George, Tomaz, Dawid, Joseph, Olivia J, Harriette and Lily H. You all played an important role in this tournament, worked well as a team and gave 100% effort!

Bench Ball Champions 2020!

Drop off and pick

May we please ask you to stand at the top of the playground near to the Maori longhouse when dropping off and picking up your child. This is especially important at the end of the day when staff are trying to dismiss your child to you and afterschool club leaders are trying to collect children to walk down to the Victorian Building. Thank you for your help with this.

Mrs Milling locks the top gate at around 8.50am, if you are entering or leaving the grounds after this time, could you please ensure that the gate is locked again. Thank you.

Car Parking

Concerns have been raised by a number of parents regarding the car park. We are planning to arrange a meeting for parents to come along to, to discuss this matter, information will follow.

Recycling!

The war on plastics is heightening all around us. In December last year Walkers joined with a company called Terracycle and launched a scheme to recycle crisp packets. Since then over 11 million packets have been recycled and more and more companies are signing up to these recycling schemes, reducing the amount of waste ending up in landfill and our beautiful seas. At school we are joining the #waronplastic working with Terracycle to recycle all brands of crisp packets, biscuit & cake wrappers and chocolate & sweet wrappers! This is a great way to teach children there are many ways to recycle items that are not within our standard household recycling. If you would like to get recycling at home please do! You can bring your items into school and we will add them to our collection. **Please just make sure all packets are empty and flat.**

We also have a separate box for you to recycle empty toothpaste tubes, cartons, tops, toothbrushes or toothbrush packaging.

The recycling boxes will be in the reception area.
