## Ladoca class trip to the Eden Project

Ladoca Class had a fantastic time at The Eden Project last week exploring how the site of a primary industry - china clay quarrying - could be transformed into a tertiary industry - a tourist attraction. Along the way we also enjoyed ice-skating! This was a great way to do PE and, as the children commented, it really helped to build our perseverance! Thank you to all our won-

derful parent/grandparent helpers who not only drove mini buses and supervised groups but also took to the ice!

## Recycling!

The war on plastics is heightening all around us. In December last year Walkers joined with a company called Terracycle and launched a scheme to recycle crisp packets. Since then over 11 million packets have been recycled and more and more companies are signing up to these recycling schemes, reducing the amount of waste ending up in landfill and our beautiful seas. At school we are joining the #waronplastic working with Terracycle to recycle all brands of crisp packets, biscuit & cake wrappers and chocolate & sweet wrappers! This is a great way to teach children there are many ways to recycle items that are not within our standard household recycling. If you would like to get recycling at home please do! You can bring your items into school and we will add them to our collection. **Please just make sure all packets are empty and flat.**

We also have a separate box for you to recycle empty toothpaste tubes, cartons, tops, toothbrushes or toothbrush packaging.

The recycling boxes will be in the reception area. **See back pages for details.**

## Thanks

*I would like to say a huge "Thank you" to each and everyone of you who were involved in giving me the most amazing send off from Ladock School. I was overwhelmed by the gifts, flowers, wine, smellies and lots of other lovely things to enjoy, and the kind words and wishes on the cards which I will treasure. The entertainment blew me away, watching it made me shed so many tears of joy that I went home a very loved and happy person.*

*Ladock school is a very special place and I feel honoured to have been a huge part of it.*

*I will miss you all very much (but I will be back !).*

*Love Chris Rimmer*

## RECYCLING OF INK CARTRIDGES

Start earning cash for our school today simply by recycling your old and unwanted inkjet cartridges, to spend on new equipment, classroom supplies or even new projects, all whilst helping the environment.

A box is outside of the office for you to place your cartridges in, these will then be sent to The Recycling Factory.

*Did you know that if a cartridge isn't recycled and sent to landfill, the plastic that is contained within the casing can take up to 1,000 years to decompose!*

## NHS quicker

Whether to do

## Wear something red for Cornwall's Air Ambulance

On Friday 31st January, we are inviting children to take part in Cornwall Air Ambulance's—'Wear Red Day' fund-raising event for this very worthwhile cause, (2 days early!) If your child wants to take part, we are asking for £1 donations in aid of Cornwall Air Ambulance.

## HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

**If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately.** Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless **EVERYONE** is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

**In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!**

**TOMORROW (Friday 17th January)  
IS BUG BUSTING DAY!**

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, **although you do need to check your child's head more often than once a month.**
