Students of the week

StCuby **Eryn** St Keyne **James** St Ladoca **Robyn** St Blaise **Tommy**

A note from Mr Stoyles

We hope you all enjoyed the Christmas break, and that your children were excited about coming back to school and engaging in their learning.

There is no doubt that the end of the Autumn term was a very busy one, and we would like to reiterate our thanks to you all for your support with the various events which took place, not to mention all the generous cards and gifts you bestowed upon the staff! Your kindness is very much appreciated.

Afterschool extension to 5.30pm

Following discussions regarding extending the afterschool club session to 5.30pm, we are asking parents to let us know if this is something that they would use. Bookings would need to be made at the beginning of the week for that week to enable us to plan staffing. Your child will need to be picked up at 5pm unless they have been booked by the Monday for that week. Please email Jane to express your interest on ladock.secretary@celticcross.education.

Attendance

As mentioned in previous Newsletters we have an obligation to make parents aware if their child's attendance drops below 96%. We will be monitoring all of our children's attendance every half term.

If your child's attendance has dropped below the national school target of 96% we will send home a letter making you aware of this. We are aware that for some of the children their absence is due to illness and whilst this is classed as an authorised absence it does still affect their overall percentage.

Please be assured we are not questioning why they have been absent from school. We have introduced 3 letters; Green Band—93-96%, Amber Band—90%-93% and Red Band (persistent absentee) - below 90% (This is a government definition.) The Green letter we send is purely to inform you that your child's attendance percentage has dropped below 96% and what it currently is.

Children who frequently miss school often fall behind, and there is a strong link between good school attendance and achieving good results.
