Issue 3 – 21st January 2022

A Note from Mr Stoyles

The school continues to move at pace and the children are certainly being kept busy in classes with a wide variety of learning. The children in Ladoca class will sleep well this weekend with the action packed sporting schedule they have just completed. The coach journey back today was very quiet in comparison to Monday morning. They should be immensely proud of themselves. It was great to hear such positive comments from the swimming teachers regarding their impeccable behaviour and the clear progress they made from the 1st to the final session—I don't even think there was a missing sock in the changing rooms! We look forward to Blaise classes swimming sessions in May.

We hope to announce a special treat for the children in school that will likely take place at the end of February. This will be a special performance from a theatre production company that focuses on courage, friendship and the power of play.

On Monday next week, we look forward to a school improvement visit from Paul Hodson (Ofsted inspector) who will be providing support for the school with a focus on reading. This is part of the support structure from Celtic Cross Education this year.

Ladock School **Vision** & Values

Loving, learning, achieving together

Forgiveness, Trust, Compassion, Perseverance, Respect & Truth.

A Note from Mr Stoyles

We eagerly await the phone call notifying us of our SIAMS inspection which will take place before the end of the academic year. The inspection will focus on the question: How effective is the school's distinctive Christian vision established and promoted by leadership at all levels, in enabling pupils and adults to flourish. We feel the school is in a strong position for this visit and look forward to celebrating the work achieved in school.

Since the start of term, cases of Covid-19 in schools are increasing. Although our case rates are relatively low, there is still a possibility of this effecting our children and staff in school. We would appreciate lateral flow testing regularly and will continue to update you on identified cases.

I hope that you have a good weekend and look forward to seeing you next week.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- The PTFA will be contacted and a message will be placed on their Facebook page.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.
