Supporting The Lily Foundation

On Saturday 28th Sept, Helen Nicholson will be driving to Pompeii as part of the Charity Banger Rally Challenge in the butterfly car you may have seen in the car park. Our Team is called Hel's Belles and we are fundraising for The Lily Foundation, in memory of Maisie Keverne who died of mitochondrial disease at just 6

months. She was a real fighter and brought a lot of joy in her short life.

Our route to Pompeii is, as yet unknown – we are given details each day, with challenges to complete along the way. If you'd like to follow us, find us on Facebook as "Hel's Belles – Pompeii or Bust". If you'd like to make a donation, please do this online <https://www.justgiving.com/fundraising/teamhelsbelles> or see Helen - THANK YOU (and wish me luck....)

HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless **EVERYONE** is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!

TOMORROW (Friday 27th Sept) IS BUG BUSTING DAY!

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, **although you do need to check your child's head more often than once a month.**
